The image shows a sample invitation card for an exotic dinner party. The card is titled "Invitation à un repas exotique" and includes a small illustration of a person holding a plate. Below the title is a large blank space for the invitation details. At the bottom of the card, it says "© www.festafrika.com".

Below the invitation card is a response card titled "Carton-réponse". It includes two checkboxes for the recipient to indicate whether they have received the invitation and whether they will attend. The text reads: "J'ai bien reçu ton/votre invitation et je te/you confirme par la présente que j'y serai présent(e)." and "J'ai bien reçu ton/votre invitation. Malheureusement, je ne pourrai y assister." At the bottom of the response card, it says "© www.festafrika.com".

Below the response card is a thank you card titled "Remerciements". It includes a small illustration of a person holding a plate. Below the title is a large blank space for the thank you message. At the bottom of the card, it says "© www.festafrika.com".

# Taking into account your environment

- **If you live in a western country where not all exotic products are necessarily found everywhere, you will nevertheless see that many of the proposed recipes include products that can easily be found in the "exotic products" section of supermarkets.**

# **Taking into account your level of experience in exotic cooking**

- **Eating "exotic food" may be a wonderful experience or a nightmare depending on how you go about it. One should not underestimate or overestimate the steps to be taken in the discovery of tastes or the realization of recipes. Our kits take these factors into account and offer you a range of exotic / African dishes accordingly.**

# Taking into account your level of experience in exotic cooking

- **Are you a newbie and your guests don't know anything about it ? Or maybe you have never even heard of African or exotic meals ?**
- **The "*Discovery*" Menus, including easy-to-taste dishes that are easy to prepare, are made for you (example here : sweet potato dumplings gratin).**

# Taking into account your level of experience in exotic cooking

**Have you or your guests already tasted African or exotic meals?**

**The *Amateurs Menus*, including dishes for “mouths which have already tasted”, yet quite easy to prepare, are those that suit you (example here : yassa chicken with rice).**
